▮ About us

Ets **AGRIZEX** is a **Toyota-certified** automotive dealer, distributor, and service provider with over 35 years of operational excellence in the Democratic Republic of Congo.

Headquartered in Lubumbashi with a branch in Kolwezi, AGRIZEX operates at the heart of the nation's industrial and mining hubs, delivering premium vehicles, reliable equipment, and high-performance solutions that meet the demands of corporate clients, government institutions, and private individuals alike.

As a **Toyota** and **Ironman 4x4** certified partner, AGRIZEX adheres to international standards of quality, reliability, and service, offering customers peace of mind through genuine products, transparent processes, and long-term value.

Our Vision

To be the benchmark for automotive excellence in DRC, providing sustainable mobility solutions that combine innovation, quality, and customer satisfaction.

Our Mission

To deliver integrated automotive and industrial solutions that enhance mobility, improve efficiency, and empower our clients' performance in every terrain and environment.

Our Core Values

- **Integrity:**
We act with transparency, trust, and accountability in all operations.
- **Quality:**
Every product and service meets international standards and factory-certified reliability.
- **Customer Commitment:**
We put clients at the center of every decision and deliver tailored solutions to match their goals.
- **Innovation:**
We continuously evolve to meet the challenges of Africa's fast-changing mobility landscape.

✓ Certifications & Strategic Partnerships

Toyota Certified Dealer

As a **certified Toyota** distributor, AGRIZEX sources vehicles and spare parts directly from CPS Africa, one of the continent's largest automotive networks, and Toyota manufacturing plants worldwide.

This certification guarantees our customers:

- ✓ Genuine and factory-backed Toyota products
- ✓ Competitive pricing with manufacturer warranties
- ✓ Superior after-sales service and technical support
- ✓ 3-year or 100,000 km vehicle warranty coverage

Ironman 4x4 Certified Dealer

AGRIZEX is an official Ironman 4x4 franchisee, offering a complete range of off-road, mining, and recovery accessories designed to withstand Africa's toughest terrains.

From suspensions, bull bars, and canopies to mining-spec modifications, every product combines strength, safety, and adaptability, ensuring our clients operate with confidence in any environment.

Our Expertise

At **AGRIZEX**, we deliver a 360° range of automotive and industrial solutions designed to meet the needs of both individual clients and large-scale industrial operations. Our expertise covers a wide portfolio of products and services that align with global standards, ensuring reliability, performance, and long-term value.

1. New Toyota Vehicles & Genuine Spare Parts

AGRIZEX offers a complete selection of brand-new Toyota vehicles, built for performance, durability, and comfort across all terrains. Our vehicles are designed to meet the demands of African conditions — from mining operations and industrial fleets to private and corporate use.

Our lineup includes the Toyota Land Cruiser 70 Series (79 Single and Double Cab, 76 LX Station Wagon, and 78 Hardtop), the Toyota Hilux (Single and Double Cab), the Land Cruiser 300 Series, Land Cruiser Prado, Fortuner, RAV4, Urban Cruiser, Hiace (Standard and High Roof), and the Coaster Bus.

All our vehicles are sourced directly from certified Toyota production hubs in South Africa, Thailand, and Japan, ensuring authenticity, reliability, and full manufacturer warranty. In addition to our regular stock, AGRIZEX can supply any Toyota model on request, including specialized configurations and fleet orders tailored to client requirements.

We also provide a complete range of genuine Toyota spare parts, guaranteeing perfect fit, high performance, and long-term dependability for every vehicle we sell.

2. Special-Purpose Vehicle Conversions

AGRIZEX specializes in custom vehicle conversions for a wide range of industrial and institutional needs:

- **Mining Conversions:** Vehicles adapted for durability and safety in mining operations.
- **Ambulance Conversions:** Fully equipped medical transport units built to international emergency standards.
- **Firefighting Conversions:** Reliable and robust fire response vehicles.
- **4x4 Bus Conversions:** Coaster and Hiace models optimized for field transport or rugged terrain mobility.
- **Mobile Workshops:** Self-contained service units for on-site maintenance and operations.

Each conversion is engineered with precision to meet specific industry requirements, ensuring both functionality and safety.

3. Forklifts, Buses & Trucks (Including Hino Models)

We supply a full range of Hino light and heavy-duty trucks, industrial forklifts, and passenger buses tailored to logistics, transport, and infrastructure sectors. Our vehicles are recognized for their fuel efficiency, load capacity, and resilience under demanding conditions.

4. Premium Tires (BF Goodrich)

We distribute BF Goodrich tires, globally recognized for their off-road performance and reliability. Designed for durability, control, and traction, they are ideal for mining fleets, adventure vehicles, and corporate use in variable terrain.

5. Luxury Vehicles (Lexus)

For clients seeking sophistication and prestige, we offer a selection of Lexus luxury models. These vehicles combine cutting-edge technology, refined design, and superior comfort, perfectly suited for executives and premium transport services.

6. 4x4 Accessories (Ironman 4x4 Franchise)

At AGRIZEX, we proudly partner with Ironman 4x4 to equip Toyota vehicles with premium off-road and mining accessories.

From **reinforced suspensions** and **heavy-duty bumpers** to **underbody protection**, **safety cages**, **recovery equipment** and **LED lighting systems**, our solutions are designed to enhance durability, safety, and performance in the most demanding environments.

Combining Toyota reliability with Ironman 4x4 strength, we deliver vehicles ready for adventure, mining operations, and Africa's toughest roads.

Our Services

We don't just sell vehicles. We deliver end-to-end automotive solutions designed to simplify ownership and maximize value.

✔ **Showroom & Consulting**

Explore our modern showrooms in Lubumbashi and Kolwezi, where our experts provide guidance on choosing the right vehicle or fleet for your specific needs.

✔ **Garage & After-Sales Support**

Our certified technicians ensure every vehicle receives proper care through preventive maintenance, diagnostics, and warranty service, maintaining performance and reliability over time.

✔ **Vehicle Rental & Leasing**

Through our Europcar franchise, AGRIZEX offers flexible rental and leasing solutions, whether short-term mobility or long-term fleet management.

✔ **4x4 Customization**

We provide professional customization for off-road vehicles, integrating Ironman 4x4 components and accessories for enhanced safety and capability.

✔ **Registration & Compliance Assistance**

We support our customers with all administrative processes including SONAS, vehicle registration, license plates, and audio fees, ensuring a hassle-free experience.

Why Choose AGRIZEX?

- **Unbeatable Delivery Time:** Over 100 vehicles in stock in the DRC for immediate availability.
- **Guaranteed Quality:** All vehicles and accessories are backed by official factory warranties.
- **Comprehensive Solutions:** From sales to maintenance, we offer complete lifecycle support.
- **Customer-Centric Service:** A dedicated, experienced team ensures personalized attention at every step.
- **Regional Leadership:** Our reputation for reliability and integrity makes us a preferred automotive partner across Central Africa.
